MEMORANDUM FOR: Chairman, United States Intelligence Board

SUBJECT : Organization and Functions of GMIC (U)

REFERENCE : USIB-D-1./2, dated 19 September 1958

1. The only change in the functioning of the Guided Missile Intelligence Committee (GMIC) occasioned by the formation of the United States Intelligence Board (USIB) pertains to its membership. By recent USIB action, NSA has been given full membership in lieu of its previous associate membership; the Assistant to the Secretary of Defense for Special Operations does not believe it necessary to provide a member to GMIC at this time, but plans to re-evaluate the desirability in several months.

2. Although not as a specific result of the formation of USIB, new Terms of Reference are being prepared by GMIC for early submission to USIB.

3. Consequently, no further action resulting from the formation of USIB is believed necessary concerning the operation of GMIC.
